

# CHAMBER EVENTS

## Annual Dinner

The area's largest gathering of professionals is highlighted by a guest speaker and the presentation of community service and volunteer awards and the prestigious Norbert X. Dowd Award.

## Business After Hours

Every month, the Chamber hosts an after-hours networking event where members connect one-on-one with other business professionals. These events are held from 5-7pm on the second Thursday of the month at a different Chamber Member location each month.

## Business Expo

We invite members to promote products and services to business attendees at this trade show. The Expo is intended to provide excellent networking opportunities, helping members make more contacts and collect more sales leads than any other day of the year.

## Early Bird Breakfast

The Chamber offers a monthly breakfast series with guest presentations that primarily focus on the Chamber's Issues of Impact, formulated by the Governmental Affairs Committee. The breakfasts are scheduled for the fourth Wednesday of each month from 7:30-9:00AM, with networking opportunities prior to the program.

## Golf Tournament

The Annual Golf Tournament is a fundraiser that helps support the many programs and activities that make the Chamber thrive. The tournament is a fun way to increase the visibility of your business, mix with fellow chamber members, and play golf at one of the area's finest courses.

## Member Orientation

Whether you are thinking about joining the Chamber, are a current member with new employees, or just want to learn more about membership benefits we invite you to join us for these quarterly gatherings.

## Political Forums

During the Legislative season, monthly sessions take place at which Chamber members and elected officials may discuss important issues, such as transportation, tax reform, economic development, and other topics.

The political season offers opportunities for debates, candidate receptions, moderated discussions and other ways to connect our members with candidates in all levels of government.

## Program Events

Fusion, the Wellness Council of Maine, Bangor Region Leadership Institute (BRLI), and Building Bridges hold several events during the year. Fusion hosts monthly Noontime Networking sessions, quarterly socials and a unique annual awards dinner. The Wellness program offers events including the Well Workplace University, seminars, and awards presentations, creating high value for members. If you'd like more information about these or any other events, just ask!

## Workshops

The Chamber offers several seminars during the year, focused on business development, workplace issues, social media topics, and other subjects of interest to our members.
